

A large collage of 50+ small photographs showing various events, award ceremonies, group photos, and social gatherings of Narayan Vidyalaya students and staff. The images depict a wide range of activities, including formal award presentations, group portraits of students and faculty, cultural performances, and social events. Many photos feature Narayan Vidyalaya branding, such as banners for the 'Annual Sports Event' and 'Innovation Competition'. The collage is organized into a grid-like structure, with each photo capturing a different moment from the school's calendar.
