Std. 1B - Sreesanth K. S. Mother Name : Prashanthi K. S.

Our school's annual day celebration was a grand spectacle, bringing the epic Ramayana to life on stage. My child was so happy to be the part of the "Princess Mithila". The open-stage setup under the night sky added to the magic of the evening. All appreciation to the entire school team for organizing a fantastic event that will be in our memories forever! One small suggestion for future events - a slightly elevated stage would have further enhanced the visibility and overall experience, especially for the tiny tots who, despite their energetic performances, were often hidden from view for the audience seated at the back. Thank you.
