

Jeet Hamari Project (Biography Project)

Dt. 17 to 22/11/25 :

Under the “Jeet Hamari” Project, 202 students of the school (Students of 6th to 9th E.M., 11th Science - Commerce) presented beautiful presentations on the biographies of successful people from 15 different fields.

This innovative experiment was undertaken with the aim of developing the art of oratory among the students of the school, developing their thinking skills, learning the power to face conflicts, and finding the right direction to reach success. In which, students went to each class in their department and made presentations on the biographies of people from various fields such as scientists, mathematicians, poets, writers, Nobel Prize winners, industrialists, educationists, economists, statisticians, astronauts, athletes, musicians, painters, singers, sports person and artists. The class teacher of each class prepared their collection and prepared the result. The student had the opportunity to make a presentation five times. 100% of the students of the class participated in this project.

This project was organized under the guidance of the school director, Mr. Dr. Bhagubhai I. Prajapati, and was carried out by the department conveners Kavita Gavahane ,Unnati Patel, Rajni Patel and Paras Rana.

The work of making the speeches of these students reach the public was done by computer teachers **Deepika Solanki and Sonal Wagh**. They played the role of adjudicator.
