World inside Books

Inside the library, calm and quiet,
Books are waiting, neat and tidy.

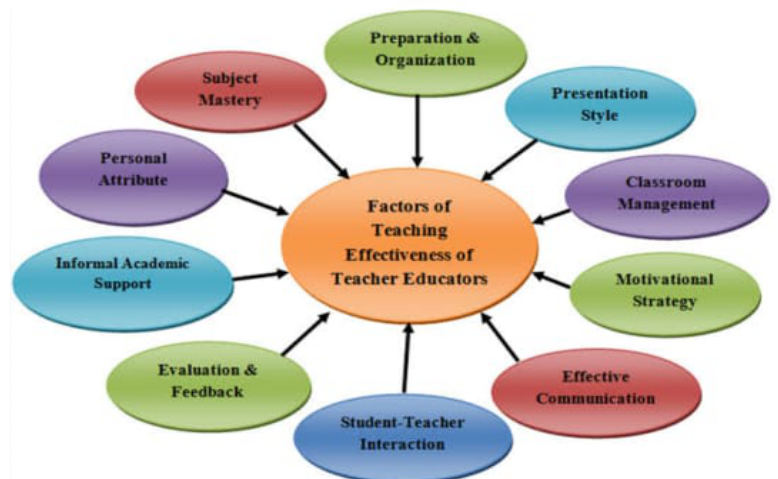

Big and small, old and new,
Each one has something special for you.

Some teach stories of long ago,
Some show how the world can grow.
Some explain numbers, stars, and land,
Some teach values—right and kind.

When we read, our minds feel bright,
We learn to think and choose what’s right.

Books are friends that guide our way,
Helping us learn more every day.
