

Date : 10/07/25 - Gurupurnima & Gaurivrat celebration : Celebrating Gurupurnima and Gaurivrat in kindergarten offers opportunities to teach children about respect, gratitude and cultural values. By incorporating activities & involving children can create memorable and educational experiences for the children. Gaurivrat is a religious practice, fast in which girl student had on earthen pot called the Jaavara. In every jaavara the girls sow seven types of seeds including cereals & lentils, dressed in different hues & shades, the girls participated in enthusiastically, joined hands and chanted prayer. A guru plays a vital role in a student's life by providing guidance, knowledge & support beyond academic learning. They act as mentors.

Date : 26/07/25 - Rainy day Celebration : Rainy day is airways a fun time for the kids if it is celebrated in the school. It makes the environment light & mesmerizing for these tiny tots. All the children came dressed up in given theme –U.K.G –Rainbow or cloud, L.K.G-Frog or fish & Nursery-Rain drops or Mushroom. The students were brought out in open by their teachers with umbrellas & rain coats to enjoy the playful rainy weather.

Date : 31-07-25 - Popcorn & pixie dust movie day : Popcorn day celebration for preschoolers can be a fun and educational experience. For the first time, our school organized this **“Popcorn and Pixie Dust Movie Day”** to help children understand how we enter the theater and exit after watching a movie. We arranged all the areas related to a theater entry, security, eating area, hall tickets, etc. These activities helped develop fine motor skills, creativity, and understanding of concepts. Children watched The Good Dinosaur movie. It was a resounding success - a day filled with smiles and laughter, bringing joy and excitement to every child. It was a perfect example of how simple activities create meaningful memories. The children came dressed in colorful clothes and goggles, and enjoyed popcorn and juice.
