

# Various Activities and Celebrations : 11<sup>th</sup> & 12<sup>th</sup> Sci. Stream

## Workshop Seminar

**Date : 04/07/2025 :** A list of 27 subjects was prepared by the Principal and Teachers of the school for the students of Science to get in depth knowledge of the field. A total 27 students of Science Department were given subjects 15 days before. After that, 2 groups of 7-7 students were formed on that topic. Two judges were allotted in each group. Each student gave presentation for 10 Minutes through PPT or innovative techniques.

**Through which the students gained new knowledge and learn creativity. 27 new subject knowledge exchange in less time with less effort – imparting enthusiasm, interest and confidence among students.**

No.	Group	Std.	Rank	Name	Topic name	Judges
1	Group 1	11 <sup>th</sup> sci	1	Painter Om R.	Gravity and the laws of gravitation	Sureshbhai Prajapati and Paras Rana
			2	Patel Smit H.	Magnetic Levitation transport system	
			3	Prajapati Prince R.	JEE Preparation	
			3	Solanki Harshit B.	The natural Barrier on earth	
2	Group 2		1	Rohit Mahi S.	How to crack NEET	L.D. Bhardwaj and Divya Bhatt
			2	Shukla Pallavi K.	The paradox of sets	
			3	Padhiyar Harsh V.	Animation	
3	Group 1	12 <sup>th</sup> sci	1	Singh Aditya K.	Structure of organic compounds	Sureshbhai Prajapati and Paras Rana
			2	Bhatia Kunj C.	Concepts of limits	
			3	Mal Bhargavraj M.	Antibodies Antibiotics	
4	Group 2		1	Patel Riken H.	Derivatives and Rules	L.D. Bhardwaj and Divya Bhatt
			1	Rana Manthan S.	Quantum computer	
			2	Saini Deepakkumar N.	Conversion of chemistry	
			3	Jadav Khushi	Circadian	

*See your goal.  
 Understand the obstacles.  
 Create a positive mental picture  
 Clear your mind of self doubt.  
 Embrace the challenge  
 Stay on track  
 Steer your mind of self doubt.*
