

Workshop Seminar 11th & 12th Commerce Section

A list of 160 subjects was prepared by the Principal and teachers of the school for the students of commerce and Science to get in depth knowledge of the field. A total of 163 students of Commerce (G.M and E.M) and Science Department were given subjects 15 days before. After that, 9 groups of 25-25 students were formed on that topic. Two judges were allotted in each group. Each student gave presentation for 10 Minutes through PPT or innovative techniques. **Through which the students gained new knowledge and learn creativity. 160 new subject knowledge exchange in less time with less effort – imparting enthusiasm, interest and confidence among students.**
