

“Harvest the raw, Specialize in the crop” (kacha ne paka karo, paka ne parangat karo)

Responses from the students [Std.10<sup>th</sup> and 12<sup>th</sup> ]

❖ Aditya Singh (STD. 10<sup>th</sup> [E.M])

“My Birth is due to my Parents,  
But my Life is due to my Teachers”

-I would like to say our principal sir who is our architecture of Education and giving us **vision, mission, and education of learning** with the culture diversity to develop insight like: creativity and curiosity etc.

❖ Aastha Pandey [12<sup>th</sup> (E.M)]

- I entered in the school in year 2018 in 9 Std. I secured many prizes at District level and Zone Level. All my achievements go to my teachers who give us quality of education and guidance to achieve our goal.

–“Only those who have strength in their dreams reach the Goals. Only wings can't do much, Friends, we need the courage to fly.”

**Responses From Guests:**

❖ **Hon. Mr. Maheshbhai Patel** [Director of Vidhyakunj Sankul, Surat & Fee regulation Committee Member]

- The gaze of the students should be like a bird in prey. He should always look and aim to his target.
- Percentage and values are different from each other. Percentages as well as values need to be refined. Values are important to move forward in life which will help you further.

❖ **Hon. Mr. Baldevbhai Prajapati**[Union leader of R.S.S section Vadodara & National President of Small Scale Industries]

- You can work hard and move ahead in the life. **(There is no substitute of hard work)**
- If the students keep their vision and mission in mind, they will never fall back.

“As the Antelope does not enter the Sleeping Lion's mouth by itself. In the same way we can Succeed in our work only if we work hard not from Desires.”
